WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

They'd better be at the top of their game, though, 'cuz the Tweevils and the Queen of Pink have returned to try and reclaim their title as reigning fashion divas!

BEGINNING A NEW GAME

After the power is turned on, the title screen appears. Press the START button to go to the Main Menu. The Main Menu has four choices: New Game, Load Game, Multiplayer Games and Options. The Options menu lets you adjust the Sound and Music Volume and Speech, as well as vibration and subtitles. For more on the Multiplayer Games, see page 9.

HOME IS WHERE THE FASHION IS

The Bratz™ may be competing in America Rocks Fashion! but they still have a successful magazine to get out! Whether it's at the office or in their stylin' new touring truck, they've got lots of great assignments to work on for their fans.

When this appears over a computer, it means there's an awesome new assignment waiting! Each Girl has a special assignment tailored just for her.

Click on this icon to check out the latest layout! When all the main features are done, the magazine will be sent to print.

Fashion waits for no one. Click on this and change outfits for you or your pet from the Bratz™ wardrobe. The Bratz™ wardrobe has a silhouette of a girl in front of it and the pets wardrobe has a paw print.

Click on this and punch in secret codes for stylin' Bratz™ bonuses.

Click on this and save your progress to a memory card (8MB)(for PlayStation®2) using this computer.

Need a rockin' poster, flyer, or holiday card for that perfect event? Click on this and start creating something totally hot!

SHOPPING IN STYLE

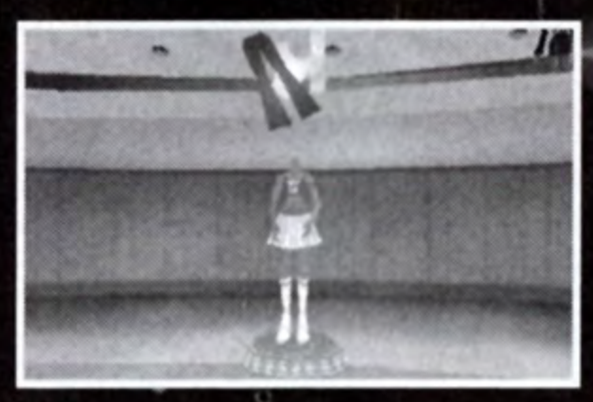
The girls are competing on a fashion show. That can mean only one thing - shopping! Hit the local stores as well as special boutiques in different cities to find the best bargains and the most stylin' fashions!

Shop Till You Drop!

So where do you find all the good stuff? Here are some icons to look for around town:

Get the Girls a new hairstyle to go with that new dress.

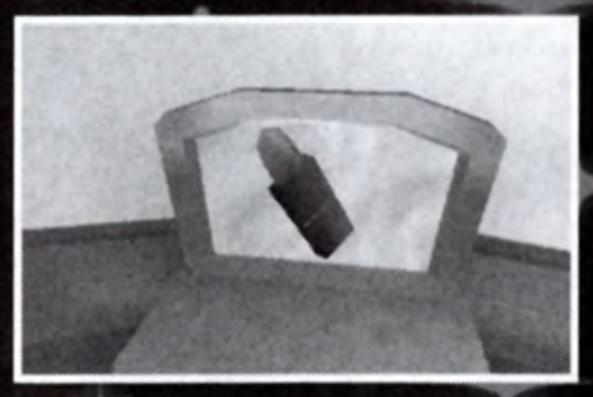
Sizzle through the racks searching for the perfect clothing combo.



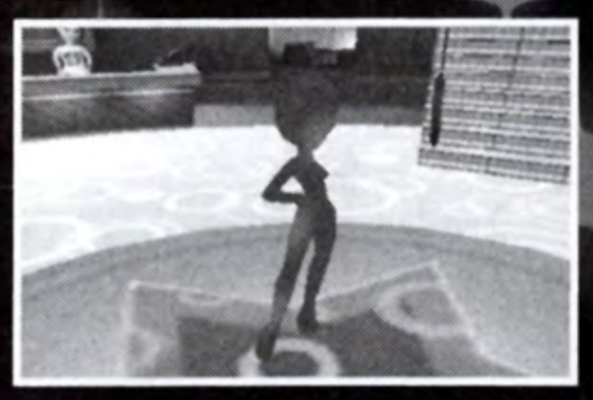
They say successful fashion begins from the bottom up.

Just a touch of jewelry will make an outfit complete.

Use the game controls to customize the Girls makeup.



Strike a pose, and collect mad Blingz!



Buy things like the latest hits or ringtones for the cell, phone covers, make-up compacts and decals.

Pets are just the ultimate. You can take them for walks, dress them and have them compete in shows with various tricks. To teach your pet to follow or stay use the L1 button. Don't forget to reward your sweetie with a treat (by pressing the ⊗ button) to keep it happy and healthy.

KEEPING IN TOUCH

Check for any messages from the Girls!

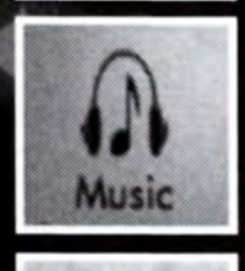
Looking for a friendly connection? Contacts has the whole address book so the Girls can text their friends.

What's a Girl to do without her day planner? It will let you know what assignment or task that's currently on the schedule.

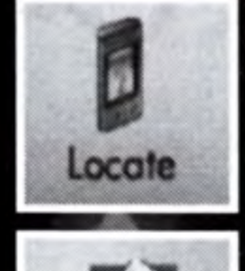
This feature lets you look through any cool photos saved.

Tired of the same old cover or ring tone? Well then, change it with this feature.

Here's a simple feature to keep track of the Blingz and the tokens!



Use the Music feature to arrange your songs into your own personal play list!



Use the Locate feature to give directions to the different shops on the list. Just select a store and follow the arrow!

Use the Home feature to instantly take you back to the office or RV.

MULTIPLAYER GAMES

If you've got a couple of DUALSHOCK®2 analog controllers plugged into your PlayStation®2, you can play the multiplayer games. Just move the halo over the Girls you want to play and press the ⊗ button.

Once you've selected the Girls you want, choose one of the following options:

Pairz

With this game, each Girl takes turns to match pairs of picture cards. The Girl who finds the most pairs wins!

Top Trumps

You can 'duel' Bratz™ trading cards together; just select the category on a card that you want to compare to your friend and see who has the best stats! When you win, you take your friend's cards away. The first person to end up with all the cards wins.

Dressing Room

You can customize the look for the Bratz™ with this feature. Play with their hair, makeup and clothes in this game and sharpen your passion for fashion.
